Engaging energetic approach to Jewish learning

Skilled davening with nusach and niggunim

Skilled davening with nusach and niggunim

Intergenerational appeal

Meaningful rituals for memorable moments

Pastoral support for your community

Music for the Jewish neshama

Participatory prayer

Since my first pulpit, I have prided myself on bringing to life the simcha of Jewish tradition. As Hazzan, I demonstrate leadership and manage successful programs in all areas of synagogue life, including ritual, musical programming and life cycle celebrations. Having received my doctorate

in Jewish education, I strive to create the highest levels of Jewish learning for adults, teens and children alike. As a community builder and pastor, my focus is geared towards making significant and meaningful contributions to all in the community.
